2013 Sales & Lodging Tax Returns Instructions

GENERAL INSTRUCTIONS

REPORTING FORMS: This booklet contains the forms needed to report and send payments of City of Aspen Sales and Lodging Tax for the current calendar year. The sales tax returns are printed with your business account number, name, the period covered and the due date of the returns. These returns are placed in the booklet in the order in which they should be used. Please be careful to use the return which corresponds to the period for which you are filing.

CHANGES OR CLOSURES: If one of more of the following occurs:

- 1) business moves
- 2) mailing address changes
- 3) business or trade name changes
- 4) business is sold
- 5) corporation merges with another corporation
- 6) no longer in business,

you must indicate such changes by completing the reverse side of the sales tax return or the change form. If the business ownership changes, the new owner cannot use the previous owner's reporting forms. The new owner must apply for his/her own business account number and personalized forms.

RECORDS: Records of both purchases and sales, including sales invoices and purchase invoices, must be retained for a period of three years. The burden of proof for exempt sales rests with the seller. Retain copies of sales and lodging tax reports. Records must be open for inspection by authorized representatives of the City of Aspen Finance Department.

All sums of money paid by the purchaser to the seller as taxes shall be and remain public money, as property of the taxing jurisdiction. Taxes owed should be remitted on a timely basis. If the City does not receive submitted taxes, burden of proof is upon the taxpayer. Always maintain sufficient records to prove taxes have been sent.
