WATER EFFICIENT LANDSCAPING STANDARDS (WELS) ORDINANCE Information & Documentation Checklist

IMPORTANT: This checklist does not constitute approval of the WELS review. This document is to inform the applicant and the City of what constitutes a complete application and streamline the review process as much as possible.

Effective August 13, 2018, the City of Aspen Water Efficient Landscaping Standards, Ordinance 17, Series 2018, shall apply to the following projects that use City of Aspen potable water:

WELS Section 2.1.1- Landscaping, grading, installing or disturbing hardscapes, additions to structures, etc. that has a disturbance area greater than 1,000 square feet and greater than 25% of the entire site.

WELS Section 2.1.2- All new construction with internal work only that demolishes greater than 50% of the existing structure (based on the entire square footage of rooms where floors, ceilings, or walls are exposed over the square footage of the structure).

Links to the Water Efficient Landscaping Standards, the Water Budget Analysis & Calculation Sheet, the WELS Documentation Requirements, and Example Plans can be found at: www.cityofaspen.com/199/Landscape-Ordinance.

For assistance in compiling required documentation package, including water budget calculations, please contact Rick Magill, WELS Plans Reviewer, City of Aspen Parks Department at 970.920.5582 or at rick.magill@cityofaspen.com.

WATER SUPPLY INFORMATION

If water is to be provided by City of Aspen, the Applicant must answer the following questions:

- | | | | |
|----|--|------------------------------|-----------------------------|
| 1. | Is the property already receiving City of Aspen water service? | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| 2. | Is there a well or wells on the property? | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| 3. | Are there other water sources/supplies on the property? | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| | If yes, name other water sources/supplies: _____ | | |
| 4. | Will raw water be used for irrigation on this property? | <input type="checkbox"/> Yes | <input type="checkbox"/> No |

WELS Information and Documentation Checklist continued

If yes, provide proof of a raw water agreement, an account number, and/or proof of right.

5. Are there existing city water taps to be disconnected? Yes No
